

Starbucks UK

Menu & Prices

26 July 2026

What is in this PDF

Every item on the Starbucks UK menu: 128 products across 9 categories. 116 of them carry a published price. The other 12 are not listed by any delivery partner and print with a dash rather than an invented figure.

Prices are the lowest observed on the delivery partners Starbucks links from its own site. Delivery pricing sits ABOVE what you pay at the counter, by around 17.7% on average, so treat every figure here as a ceiling rather than a till receipt.

Calories are the serving Starbucks publishes nutrition against, which is a Grande on most drinks. Sizes, caffeine and allergens for every item are on the website.
